14. Re-reading today's drops, can't help but wonder if dark WH photo fm 2015, combined w/Proverbs 13:9 & last line in 1st drop: "sources closely engaged in the matter said that there are identifiable top brass driving and inciting criminal activity" points to Hussein. Lights out?

THE SWAMP RUNS DEEP.  
 They want you divided.  
 They want you labeled by race, religion, class, sex, etc.  
 Divided you are weak [no collective power].  
 Divided you attack each other and miss the true target [them].  
 MSDNC projection re: scope & size meant to instill fear and basic 'follow the pack mentality' [psych 101][echo-chamber][group think]  
 'If majority thinks xyz - xyz must be true'  
 PRO AMERICA v ANTI AMERICA  
 Re-obtain power by any means necessary.  
 Prevent public exposure of truth.  
 Prevent accountability.  
 Your life means nothing to them [sheep].  
 You are a vote when it matters and a dollar sign when it does not.

He is not our President (never legitimately was) and the only purpose will be to throw more gasoline on the fire.

2. WE see it, but millions DON'T. Not sure how they'll wake up as long as propaganda is legal & Big Tech keeps conservatives in an echo chamber. MSM and Big Tech MUST be dealt with FIRST or the sheep will continue to allow themselves to be manipulated.

Let me get this straight:

Nancy Pelosi won't let Congress get back to work because of a lack of social distancing

...Yet she's walking around in massive protests?

Why are we still paying her salary if this is how she spends her time?

In a stunning development, our office has learned that every single one of the St. Louis looters and rioters arrested were released back onto the streets by local prosecutor Kim Gardner.

Insurgency can be defined as 'the organized use of subversion and violence to seize, nullify, or challenge political control of a region.'  
Insurgents seek to subvert or displace the government and completely or partially control the resources and population of a given territory. They do so through the use of force (including guerrilla warfare, terrorism and coercion/intimidation), propa- ganda, subversion and political mobilization. Insurgents fight government forces only to the extent needed to achieve their political aims: their main effort is not to kill counterinsurgents, but rather to establish a competitive system of control over the population, making it impossible for the government to administer its territory and people. Insurgent activity is therefore designed to weaken government control and legitimacy while increasing insurgent control and influence. Insurgents require supporters, recruits, safe havens, money, supplies, weapons and intelligence on government actions. A robust insurgency can be waged with the support of just a small percentage of a given population.  
NEXT:  
Counterinsurgency may be defined as 'comprehensive civilian and military efforts taken to simultaneously defeat and contain insurgency and address its root causes'.

4. The swamp runs deep, indeed. How many who have been pro-Trump will come out of the woodwork and turn on POTUS? How many Republicans are part of the Swamp & are coordinating w/Dems to stop POTUS?
