New Q (18 Jun '20): German gov't knew homeless children were placed w/pedophiles. Pedophilia was "accepted, supported, and defended". Q hit pieces deride Q researchers for believing "world govts are controlled by shadowy cabal of pedophiles."

It's TRUE.

Only when evil is forced into the light can we defeat it.
Only when they can no longer operate in the [shadows] can people see the truth for themselves.
Only when people see the truth [for themselves] will people understand the true nature of their deception.
Difficult truths.
Q

Coleman told us that he kept regularly took notes in a journal. Coleman's notes from October 4 contained the following entry:

- (1) Anthony Wiener [sic]
 - (2) [Unrelated]
 - (3) Wiener [sic] - texting 15 yo - Sexually Explicit
- 9/26 - Federal SW - iPhone/iPAD/Laptop
Initial analysis of laptop - thousands emails
Hillary Clinton & Foundation
Crime Against Children

We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the Criminal Investigative Division. Coleman stated that he may have passed this information to other FBI executives after the morning briefing with the Director, but he could not remember if that occurred here.

They will lose black vote once Haiti revealed.
Lost now (awakening).

Projection
D's can't lose control over the black population.
At some point the great awakening will occur whereby these false local / national black leaders are corrupt and paid off to help keep the black pop poor and in need.
D's formed the confederate states against freeing slaves.
D's formed the KKK.
HRC's mentor is who?
What happens if the truth about Haiti is released? Do D's lose majority of the vote?
Through the looking glass:
They rely on the MSM to keep the narrative going but tech is entrenching on their controls. They missed this in 2016 and desperately attempting to censor now due to CIA cash infusions. This will fail.

2. Vile surveys/policies intended to make us think pedophilia NOT currently allowed.

3. It's sad that this Thin Blue Line Flag, intended to "show solidarity & professional pride within a dangerous, difficult profession & a solemn tribute to fallen police officers" is viewed by the left as controversial. [They] want us divided. [#BackTheBlue](#)
