2. So much creativity in this movement! Sadly, Twitter & FB are cracking down on "manipulated media" & "deep fakes". This is being done to get ahead of the damning videos that are likely sitting in that "Insurance" folder on Weiner's laptop & elsewhere.

3. Biden thought running for POTUS would protect him from his crimes. Berman had exculpatory info that could've ended Dem impeachment of POTUS re: Ukraine phone call. It's no coincidence that right after Berman was removed this video was made public.

Ukraine prosecutors didn't want the political spectacle that became impeachment and simply sought to turn over evidence about Joe Biden and election interference to U.S. prosecutors, memos show.

Timing of video release [4500] & Berman termination? Coincidence?

4. BLM is nothing more than a fundraising mechanism for Ds. It's why it only mobilizes in election years. Ds are the real racists & only pander to black Americans for votes. Q telling those still enslaved by Ds to take ownership of their lives.

Worth remembering.
 What happens when 'racists' are running a supposed 'anti-racist' organization?
 Hatred?
 Violence?
 Destruction?
 Murder?
 Division pushed every election year **[4 years]**?
 Why?
 Political advantage to one party over another?
 What if **[D]**s never let go post civil war?
 What if they simply implemented a new form of control **[ownership]**?
 Knowledge is power.
 Take ownership of yourself **[your life]**.

Paul last week [held up the passage](#) of anti-lynching legislation, arguing that it first needed to be amended.

Paul argued that the way the bill is written, it would designate “any bodily injury including a cut, an abrasion, or a bruise, physical pain, illness or any other injury to the body” as lynching.

“The bill as written would allow altercations resulting in a cut, abrasion, bruise, or any other injury no matter how temporary to be subject to a 10-year penalty. My amendment would simply apply a serious bodily injury standard, which would ensure crimes resulting in substantial risk of death and extreme physical pain be prosecuted as a lynching,” Paul said in a statement.

7. More senior level resignations coming. So many senior positions in gov't occupied by those whose only interest is enriching themselves & holding on to power > a.k.a. "military industrial complex" as POTUS said Sat at Tulsa rally
