45 out of 50 Governors did *not* force COVID infected patients into nursing homes

But 5 did:

- Cuomo (NY)
- Wolf (PA)
- Whitmer (MI)
- Murphy (NJ)
- Newsom (CA)

Nearly *half* of all COVID nursing home deaths were in these states

That's not an accident

That's systemic murder

Insurgency is the organized use of subversion and violence to seize, nullify or challenge political control of a region. As such, it is primarily a political struggle, in which both sides use armed force to create space for their political, economic and influence activities to be effective. Insurgency is not always conducted by a single group with a centralized, military-style command structure, but may involve a complex matrix of different actors with various aims, loosely connected in dynamic and non-hierarchical networks. To be successful, insurgencies require charismatic leadership, supporters, recruits, supplies, safe havens and funding (often from illicit activities). They

Oath of office

U.S. Code Notes

prev | next

An individual, except the President, elected or appointed to an office of honor or profit in the civil service or uniformed services, shall take the following oath: "I, AB, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God." This section does not affect other oaths required by law.

The Civil War led Lincoln to develop an expanded oath for all federal civilian employees in April 1861. When Congress reconvened later that year, its members enacted legislation requiring employees to take the expanded oath in support of the Union. This oath is the earliest direct predecessor of the modern oath. The current oath was enacted in 1884. It reads:

"I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God."

The public swearing-in ceremony consists of members of Congress raising their right hands and repeating the oath of office. This ceremony is led by the Speaker of the House, and no religious texts are used. Some members of

Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

There are more good people than bad. The wizards and warlocks (inside term) will not allow another Satanic Evil POS control our country. Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).

11.3 - Podesta indicted
11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin). A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis. They never thought they were going to lose control of the Presidency (not just D's) and thought they had control since making past mistakes (JFK, Reagan).

Good speed, Patriots.
P.S. Soros is targeted.

Never retreat from the battlefield [Twitter, FB, etc.]
Use other platforms as a form of centralized command and control.
Organize and connect [bridge through linking].
Source meme(s) material from battlefield and/or garage [highlight & share][take & drop]
Mission 1: Dispute [reject] propaganda push through posting of research and facts
Mission 2: Support role of other digital soldiers [one falls another stands (rise)]
Mission 3: Guide [awaken] others through use of facts [DECLAS 1-89 material and other relevant facts] and memes [decouple MSDNC control of info stream] ask 'counter' questions to initiate 'thought' vs repeat [echo] of MSDNC propaganda
Mission 4: Learn use of camouflage [digitally] primary account suspended-terminated use of secondary
Mission 5: Identify strengths / weaknesses [personal and designated target(s)] re: Twitter & FB [other] example re: meme(s) failure to read through use of ALGO [think Tron (MCP master control program)] dependence on person-to-person capture [slow response time unidentified user(s)]

11. Adding this tweet fm 22 Dec '19 when most of us figured @DanScavino was part of Q team. Tonight was the most direct confirmation to date (unless there's another "Dan" who is almost always with POTUS & able to sync Q drops w/POTUS tweets, that is). 😊
