How ActBlue Works

We want as many groups as possible to be able to create strong grassroots fundraising programs. Our platform is available to Democratic candidates and committees, progressive organizations, and nonprofits that share our values for no cost besides a 3.95% processing fee on donations. And we operate as a conduit, which means donations made through ActBlue to a campaign or organization are considered individual donations. You can read more about our structure [here](#).

We take care of building fundraising tools and technology so the groups using our platform can focus on engaging and communicating with their supporters — we don't [fundraise, donate, or send texts or emails](#) on behalf of any group. And as a nonprofit ourselves, we're funded by our [own amazing small-dollar donors!](#)

media [to control narrative] is to help public SEE how they project the minority as majority. It's all an illusion. WE are a huge threat because WE ARE THE MAJORITY. We need to stop being SILENT.

the last of the Mohicans

The final remaining or surviving person or thing of a particular group, kind, or race. Taken from the title of the 1826 novel by James Fenimore Cooper, *The Last of the Mohicans*.

That place is the last of the Mohicans of locally owned restaurants in this area, as every place else has been taken over by global chains.

But in terms of true punk bands from the '70s, they may really be the last of the Mohicans.

Freedom First

Joshua: Mommy, what was it like when America was free?

How can we look in our children's eyes
 Knowing one day they might ask us why
 We didn't try to stop the tyranny.
 To ensure the survival of our liberty.

Our freedoms come with a mighty price
 Let's not forget those who sacrificed
 They fought some died to keep us free
 Like our founders did for you and me.

Freedom First that's our battle cry
 No we won't sit quietly by
 Fighting back with ballots you will see
 Pink slips for all enemies of liberty

Times are tough with no relief in sight
 They're trying to change our way of life
 There are things right now that you can do
 Use your God-given gifts to spread the truth.

Our founders knew what they had to write
 In our Constitution and our Bill of Rights
 We have a right to life and liberty
 The pursuit of happiness is guaranteed.

Freedom First that's our battle cry
 No we won't sit quietly by
 Fighting back with ballots you will see
 Pink slips for all enemies of liberty

Now is the time we need all hands
 No time to waste please understand
 Millions of Americans can't be wrong
 Tell everyone you know that we don't have long

Freedom First that's our battle cry
 No we won't sit quietly by
 Fighting back with ballots you will see
 We'll vote out all the enemies of liberty

Freedom First that's our battle cry
 No we won't sit quietly by
 Fighting back with ballots you will see
 We'll vote out all the enemies of liberty

Ohhh....
 Freedom First...
 Ohhh.....

In the title of the YT theme from Last of the Mohicans was the word Promontory.

Promontory is defined as

Promontory 

A promontory is a raised mass of land that projects into a lowland or a body of water. Most promontories either are formed from a hard ridge of rock that has resisted the erosive forces that have removed the softer rock to the sides of it, or are the high ground that remains between two river valleys where they form a confluence.
