Q

Nathaniel's monologue about the origin of the stars reinforces the film's symbolic architecture, which is intensely concerned with sex, reproduction and the idea of legacy. "My father's people say that at the birth of the sun and of his brother the moon, their mother died," he tells Cora. "So the sun gave to the earth her body, from which was to spring all life. And he drew forth from her breast the stars, and the stars he threw into the night sky to remind him of her soul."

Magua, whose own bloodline was destroyed by Col. Munro, vows vengeance against Munro's family: "When the Grey Hair is dead, Magua will eat his heart, Before he dies, Magua will put his children under the knife, so the Grey Hair will know his seed is wiped out forever." Sweet, stoic Uncas seizes a chance to extend his own endangered bloodline by protecting helpless Alice. But late in the film, after the Munro sisters have been kidnapped by a Huron war party, a Huron chief imperils Uncas' dream, giving Alice to Magua in so that Magua can pass on his bloodline and "heal his broken heart." During the film's climactic mountaintop battle, Magua cements his claim on Alice by killing Uncas in hand-to-hand combat. In a powerful yet ambiguous gesture, at once imperious and needy, Magua beckons Alice with a hand stained by Uncas' blood. But Alice is so horrified by Magua's ruthlessness that she would rather leap off a cliff than become his mate.

In September 2016, the FBI and the U.S. Attorney's Office for the Southern District of New York (SDNY) began investigating former Congressman Anthony Weiner for his online relationship with a minor. The FBI's New York Field Office (NYO) was in charge of the investigation. A federal search warrant was obtained on September 26, 2016, for Weiner's iPhone, iPad, and laptop computer. The FBI obtained these devices the same day. The search warrant authorized the government to search for evidence relating to the following crimes: transmitting obscene material to a minor, sexual exploitation of **children**, and activities related to child pornography.

The Weiner case agent told the OIG that he began processing Weiner's devices on September 26, and that he noticed "within hours" that there were "over 300,000 emails on the laptop." He said that either that evening or the next morning, he saw at least one BlackBerry PIN message between Clinton and Abedin, as well as emails between them. He said that he recalled seeing emails associated with "about seven domains," such as yahoo.com, state.gov, clintonfoundation.org, clintonemail.com, and hillaryclinton.com. The case agent immediately notified his NYO chain of command, and the information was ultimately briefed to NYO

Assistant Director in Charge (ADIC) William Sweeney on September 28.

Re: RC/RC Epstein Plane Pic
Did the FBI/DOJ interview RC?
When did 'public awareness' grow across social media?
[CLAS 1-99]
What age is RC in picture?
Under the age of 18?
[15]
Who posted the picture?
RC?
Who posted 'internal security cam' pics (Temple)(IG)?
Untouchable mindset by all involved?

What is a temple?
What occurs in a temple?
Worship?
Why is the temple on top of a mountain?
How many levels might exist below?
What is the significance of the colors, design and symbol above the dome?
Why is this relevant?
Who are the puppet masters?
Have the puppet masters traveled to this island?
When? How often? Why?
