Behn's death comes one day after Spacey released a video on YouTube titled "KTWK (Kill Them With Kindness)." Stoking a roaring fireplace adorned with Christmas stockings, Spacey can be seen looking into the camera and saying, "I know what you're thinking. Can he be serious? I'm dead serious."

"The next time someone does something you don't like, you can go on the attack, but you can also hold your fire and do the unexpected," said the Oscar winner as music played in the background. "You can kill them with kindness."

DICTIONARY

Type any word...

TOP DEFINITION

5 x 5

In voice procedure (the techniques used to facilitate spoken communication over **two-way** radios) a station may request a report on the quality and strength of signal they are broadcasting. In the military of the NATO countries, and other organizations, **the signal** quality is reported on two scales; the first is for signal strength, and the second for signal **clarity**. Both these scales range from one to five, where one is the worst and five is the best. The listening station reports these numbers separated with the word "by". **Five by five** therefore means a signal that has excellent strength and perfect clarity -- the most understandable signal possible.

Five by five by extension has come to mean "I understand you perfectly" in situations other than radio communication, the way **Loud and Clear** entered slang, post-WW2.

What does it mean that the meek will "inherit the earth"?

As to the expression "inherit the earth," the following facts should be noted:

1. God is the owner of this earth (Psalm 24:1).
2. Those who obey Christ become children of God (Galatians 3:27; Hebrews 5:9), and "joint-heirs" with the Lord (Romans 8:17).
3. The Father supplies all our needs (Philippians 4:19), we therefore enjoy this earth and its blessings more than all others.
4. Mainly, however, our inheritance is spiritual (Acts 20:32); we are heirs in the kingdom of Christ (Ephesians 5:5), and citizenship in that kingdom is available now on this earth (cf. John 3:3-5; Colossians 1:13).
5. Finally, we also look for an inheritance that is reserved for us in heaven (1 Peter 1:4), because we are aware that the earth will be destroyed when Christ returns (2 Peter 3:10).

6. Which [F]oreign gov't really controls Dems? China? Israel?

Dual Citizens in Congress? We Need to Know

It's important for citizens to know if their representatives have dual citizenship because both real and apparent conflicts of interest erode public trust.

Q

The **Law of Return** (Hebrew: **חוק הַשְּׁבוּת**, *hok ha-shvūt*) is an Israeli law, passed on 5 July 1950, which gives Jews the right to come and live in Israel and to gain Israeli citizenship.^[1] Section 1 of the Law of Return declares:

"every Jew has the right to come to this country as an *oleh* [immigrant]."

In the Law of Return, the State of Israel gave effect to the Zionist movement's "credo" which called for the establishment of Israel as a Jewish state.

In 1970, the right of entry and settlement was extended to people with one Jewish grandparent and a person who is married to a Jew, whether or not he or she is considered Jewish under Orthodox interpretations of Halakha.^[2]

On the day of arrival in Israel or at a later date, a person who enters Israel under the Law of Return as an *oleh* would receive a certificate stating that s/he is indeed an *oleh*. The *oleh* has three months to decide whether s/he wishes to become a citizen and can renounce citizenship during this time. The right to an *oleh* certificate may be denied if the person is engaged in activity directed against the Jewish people, endangers public health or security of the state, or who has a criminal past that may endanger public welfare.^[3]

- *The Great Deceiver* (Mortiis album) a forthcoming album by Mortiiis
- *The Great Deceiver* (1953 film), a Mexican film

As part of his protest against the 2014 Gaza war that year, a Jewish-American n Massachusetts (Lenny Lapon) renounced the citizenship that he said Israel had conferred on him when he flew to Tel Aviv in October 2010. If this case is not exceptional, one or more Jewish members of Congress may similarly have acquired Israeli citizenship if and when they visited Israel. However, we don't know if any such member obtained Israeli citizenship; or renounced it if granted.
