

**AHRMM**  
Advancing Health Care through  
Supply Chain Excellence

**CQO:**  
The Health Care  
Supply Chain

# Reimagining AHRMM:

## Strengthening alignment with our affiliated chapters

Written by Mike Schiller, Executive Director

Presented by Michael Moore, WSHMMA Treasurer

## Time to Reimagine

- A time to share the exciting changes that are underway regarding the "Reimagining AHRMM" initiative.
- A time to lead the association into the next generation, re-engage the field, and to exceed the needs of today's supply chain professionals.
- A time to reflect upon a holistic approach to evolution that embraces key supply chain stakeholders.

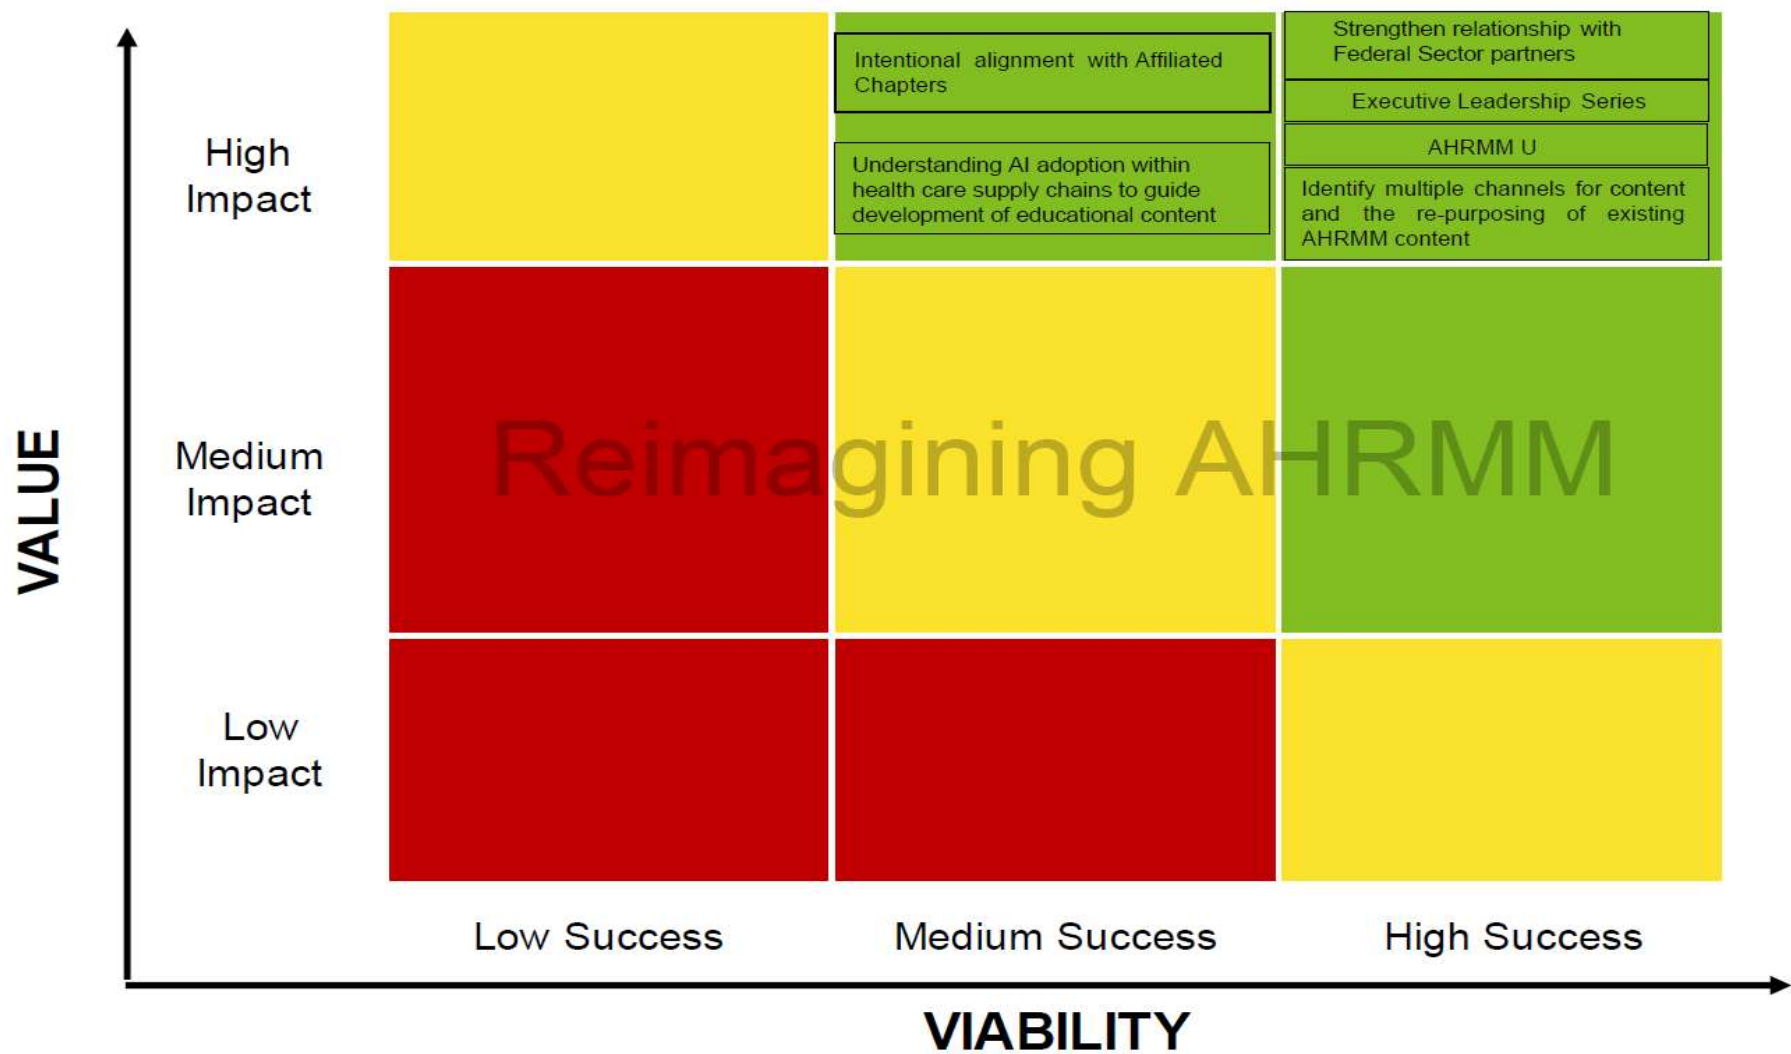

- AHRMM is dedicated to **equipping and supporting** health care supply chain professionals as they **build and sustain agile and intelligent supply networks** that support their organization, community and the health care field.
- AHRMM is committed to be **at the forefront** of teaching and knowledge creation that prepares **and equips health care supply chain professionals** for a life of learning, leadership and service.

# The Voice of the Members

- Engagement with 360 Live Media from October to December
  - Interviewed 60+ supply chain professionals:
    - Focus groups
    - 1x1 interviews
    - 360 LM survey
    - AHRMM Voice of the Member (VOM) survey
- Roadmap Report presented in January
  - 11 Strategies identified with associated tactics, success measures and next steps

Time to Reimagine

# Intentional Alignment with Affiliated Chapters

- CMRP resources
  - Trainers, content, materials
- Immersive, in-person education
  - Curriculum presented by AHRMM faculty
  - Benefits both Provider and Supplier attendees
  - Supplements/supports conference education content
- Reimagined Chapter website
- Chapter “Playbook” and Workbook
