We hope you and your families are all doing well and this first quarter is setting up a successful year! The board and I would like to share a few things we've been working on that we think will help add value to being a member of our community:

1. We will be offering quarterly CMRP Study Sessions with the first session being offered in 2022Q2
  - a. Each session will be worth 1 CEU
2. We are planning an in-person conference for September 14<sup>th</sup> through the 16<sup>th</sup> 2022.
3. New Website: Alpha is out. Please visit [www.wshmma.org](http://www.wshmma.org)
4. We will also be rolling out a networking program for those of you interested in connecting with your peers to collaborate and share ideas. We'll also be asking for volunteers from the community to become more engaged and help build out the program. More info to come in 2022Q2!

Best,
