# Icebreaker

*RAISE YOUR  
HAND IF...*

## Form the Teams (3 mins)

Divide the audience into 4 large teams by section of the room

```
graph TD; A[Divide the audience into 4 large teams by section of the room] --> B[Each team picks a team name (supply chain-related and funny). Write name on post it]; B --> C[Assign each team a spokesperson who can answer final questions.]
```

Each team picks a team name (supply chain-related and funny). **Write name on post it**

Assign each team a spokesperson who can answer final questions.

## Round 1: CVA Trivia Blitz (10 mins)

- Multiple choice or true/false questions
- Use Your Paddles!
  - Green Thumbs Up for TRUE
  - Red Thumbs Down for FALSE
- Points to be counted on your poster!

## Round 2: “Should We Approve It?” Shark Tank Simulation (15 mins)

- We will present 3 short product proposals (1 minute each)
- Teams will vote: Approve (green thumbs up), Reject (red thumbs down), or Send Back for Data (white paddle).
- Then CVA Dream Team gives the real answer and why.

## Round 3: CVA Detective – Spot the Problem (10 mins)

- Show a quick case study.
- Teams work for 3 mins to ID the top 3 things that went wrong.
- Each team shares, and CVA Dream Team reveals the analysis.

## Final Round: Lightning Ideas – Fix CVA in 60 Seconds (10 mins)

- Each team produces 1 idea to improve CVA at their facility.
- One spokesperson gives a 60 second pitch.
- Audience cheers to vote on the best idea.

# Wrap-Up (3 mins)

- THANK YOU FOR BEING GOOD SPORTS
- AND THE WINNER IS!!!
