President's Letter

Dear WSHMMA Members,

As we move into an exciting season for our chapter, we are looking forward to connecting, learning, and planning together. Spring is packed with opportunities. Here's what's coming up and how you can get involved!

1. WSHMMA Member Survey – Due March 31st, 2026

Your voice matters!

Please take a few minutes to complete the WSHMMA Member Survey by March 31st. Your feedback directly informs our programming, education priorities, networking events, and overall chapter strategy.

This is an important opportunity to help shape the direction of WSHMMA for the coming year and strengthen our alignment with national initiatives.

2. Educational Topic submission- Call for Presentations

Planning is underway for our Annual WSHMMA Event, and we are excited to open the call for speaker submissions.

We are looking for dynamic, forward-thinking voices who can share practical insights, bold ideas, and real-world experiences that will inspire and elevate our healthcare supply chain community.

If you or someone in your network would be a great fit, we encourage you to submit your request on this link [Educational Topic Submission Request Survey](#)

3. **CMRP Educational Session – March 19th, 2026**

In March, we will be hosting our quarterly CMRP-focused educational session designed to support professional development and certification advancement. Whether you are currently pursuing CMRP or exploring future credentialing, this session will provide valuable insight and guidance. Please register at [Q1 2026 CMRP Prep - virtual review - Chap 4, Finance Survey](#)

4. **Spring Portland Event– May 8th, 2026**

We are excited to host our Spring WSHMMA Event in Portland on May 8th. This will be a great opportunity to reconnect with peers across the region, expand your network, and engage in meaningful discussion around healthcare supply chain.

Venue: [McMenamins Kennedy School](#), 5736 NE 33rd Ave, Portland, OR 97211

Register at: [May 8th - WSHMMA Portland Event Survey](#)

5. **Annual Conference August 19th-21st, 2026**

Get ready for the Annual WSHMMA Conference to connect, learn, and share with healthcare supply chain professionals from across the region! Details will be shared in the coming months.
