.....
.....
.....
.....
.....
.....

Provide a description of what the plant material taken will be used for, and the quantity and type of material to be used. E.g. One cutting of *E. globulus* for plant sample study.

.....
.....
.....

Location/s where the plant material taken will be used or lodged (eg glasshouse, herbarium)

.....
.....
.....

Have you previously been issued with a permit to 'Take' Native Flora requiring, as one of the conditions, that a report be submitted? The report must be completed and submitted to the Trust before further permits will be issued.

Report submitted? Yes No

Signature of Applicant Date

Please Read Carefully: The Trust retains the authority to reject any permit application and also to apply conditions to any permit issued. **Allow 2 weeks for processing of applications.** A permit must also be sought from the Department of Primary Industries Water and Environment for any species listed on the *Nature Conservation Act 2002* or the *Threatened Species Protection Act 1995*. Fees for permits may apply.

Email the completed permit application to info@wellingtonpark.org.au
