Contract #19-02PV-03

What will happen after the sale?

Our business model ensures a long term relationship with our customers!

K-12 & Community Colleges - School Furnishings

THAT'S WHAT WE DO!

Our Core Beliefs are Honesty, Trust and Respect

Coyote School Furnishings is your source for **Classroom, Library, Cafeteria and Administration Furniture.**

Honesty

Coyote School Furnishings, we never just tell you what you want to hear. We never sell you products outside your budget, or those you don't really need. Honesty is central to the way we operate.

Relationships

Call on **Coyote School Furnishings** once, and we'll be there whenever you need us. Even if products are lost or damaged during shipping, or incorrectly installed, we're here to make the situation right. We react quickly to resolve any issues that may impact your order.

Variety

Coyote School Furnishings offers a full range of furnishings for the Classroom, STEM Labs, Cafeteria, Library, Administration & Athletics. We also carry a number of athletic accessories, such as goalposts and basketball set-ups.

Service

Coyote School Furnishings, we provide **Furnishings Consulting** with **Design** and **Layouts** for projects from one classroom to a **New School**. Our installation team including our **Project Manager**, will ensure your order is completed to your total satisfaction. In fact, you can contact us at any time for any issues that might arise. Contact Jeff Marton (480-227-0800).

Coyote School Furnishings is a member of the **One Government Procurement Alliance (#19-02PV-03)**, we support the Education Market Association, Arizona Rural School Association, Arizona Association of School Business Officials and the Arizona School Board Association. Contact us to request a quote, or with any questions

Our most durable edge is strong enough to stand up to everyday abuse and is virtually indestructible. Perfect for table tops, benches and stools, this unique edge coating allows for easy clean-up from lunchroom spills or a deep, steam cleaning when needed. By removing the biggest concern of separation from the top along with resistance to bacteria and moisture, Lotz Armor Edge™ comes with a proven track record for long-term durability.

EDUPOD™ LECTERN/TEACHER'S DESK COMBO

#EDPD

List Price \$1204.14 Sell Price \$722.48

Edupod™ incorporates both a lectern and a teacher's desk into one. The teacher or presenter can use the Edupod™ sitting or standing. Tone grey steel cabinet with locking storage & adjustable shelves. Lectern cabinet connects to a lightweight plastic blowmolded desktop in matching grey, with modesty panel.

Preset the adjustable-height grey lectern top with metal bookstop to your personal comfort zone and height requirements. Wire management grommets on Lectern cabinet allow for use of technology equipment such as projectors, laptops or tablets.

*Includes six double wheel hooded, two-inch caster wheels, three locking.

Café Time

— BY NPS® —

the industry's best value for an all-inclusive café table and stool.

You have asked, and we have answered!

All Café Time tables now include two feet options, an adjustable glide or — **NEW** — a double wheel hooded caster in matching Charcoal Slate/Grey. Use with glides when tables are kept stationary or install included caster wheels for rolling around such as for nesting and storage.

Every convenience you've ever wanted, built into a gorgeous charcoal slate colored 1-3/8" thick plastic top, mounted on a matching silver square frame.

Use as a café table in standard 30-inch table height, or effortlessly raise to 42-inch bistro height, with a simple pull of the concealed pneumatic lever. 36"W x 36"D with contoured corner edges, they are perfect for your break room, cafeteria, or lunchroom. Lightweight, scratch resistant and durable, the attractive top will complement any décor, and the sleek contemporary legs will provide a perfect airy look. Tilting latch sets table top into vertical position for compact storage, while contemporary styled legs allow nesting with adjacent tables. Matching charcoal slate colored bistro height stools feature ergonomically curved plastic seats and backs mounted on a sleek 1-1/8" tubular steel frame, with silver tone powder coated paint. Rubber floor friendly glides will protect floors.

WB0220

Infant Floor Mirror Set

Mirrors are important tools that foster a young child's self-awareness, self-esteem, intellectual curiosity and cognitive development. In an inventive twist, we applied safe, shatterproof acrylic mirrors on a variety of block shapes to encourage a first-mover's mobility, coordination and confidence through exploration and play. Constructed in beautiful, durable birch plywood with no visible screws or joinery and edges that are rounded over and sanded smooth for safety.

Dimensions vary with configuration. Weighs 110 lbs.

CONTEMPORARY KITCHEN ENSEMBLE

Everything about this kitchen group is exciting and unique, from its innovative modern design and distinctive color to the realistic features that you'd actually find in a modern kitchen—a real chrome faucet, dials that click and turn, steel sink, and modern, metal handles. It has every appliance you'd expect to find in today's kitchen: stove, sink cabinet, a French door refrigerator, stacked washer/dryer, dishwasher and a microwave. Five imaginative kitchen units children can arrange in dozen of ways.

35" H x 95" W x 15" D

World Class 40 Element-PB.....12'(w) x 6.5'(h) x 4'(t) x 6.5'(b)

World Class™ 40 line of 4" round aluminum portable soccer goals! The World Class 40 line is designed to maximize functionality. World Class™ 40 goals are sold complete and always include goal structure, backstays, ground bar, transport wheel kits, auger style ground anchors and professional style hexagonal net.

All World Class™ 40 goals meet or exceed ASTM F2056 for tip over and failure requirements. All soccer units meet NCAA, NHSF and FIFA rules.

The 4" round aluminum uprights and crossbar are powder coated white for an aesthetic appeal. First Team's net fastening system attaches net securely in place. Once in place, net clips will not come loose or get lost. No more Velcro straps, welded hooks, screws or nylon ties. Unlike other manufacturers clips, net fasteners will not become loose or cause misalignment of net. 40 backstays are manufactured of 100% galvanized 1 3/4" round tube and will not rust. Backstays are designed extra deep for added stability and security and include our built in portable wheel feature for ease of transport.

Call for Pricing and Options

First Team

All Pro Series boasts a massive 6 5/8" diameter steel post for maximum structural stability. For rust free performance the goalpost has a galvanized undercoating while the 6 5/8" diameter crossbar and 4" diameter uprights are made from rust free aluminum. First, the All Pro has a unique telescoping nosecone design that allows the overhang distance to be extended anywhere from 6'9" to 8'6". So no matter what, the crossbar comes out dead even with the back of the end zone every time. Second, the nosecone attachment not only allows the crossbar to be leveled at time of assembly, but you can also fine tune the crossbar elevation up to 2" up or down. Crossbar is always at perfect 10' height every time. Third, each upright is attached to an adjustable corner elbow that is fully rotational allowing the uprights to be assembled perfectly straight every time.

All Pro can be set to a maximum overhang of 8'6", when used in conjunction with portable soccer goals on multi-use fields. First Team offers a crossbar extension kit when needed. This allows a college width crossbar to be converted to high school width when needed for fields used by both college and high school teams. Post pads, ground sleeves and access frames are available for any All Pro package.

All Pro football goalposts are available in either safety yellow or white. Wind direction streamers are included. All Pro football goalposts are covered by First Team's 10-Year Limited Warranty.

All Pro HSC-SY - List Price \$5591.00 Sell Price \$5031.90

Hurricane Portable Basketball Goals

The Hurricane's extension distance from base to backboard is 96" meeting all NCAA & NHSF requirements. The Hurricane portable hoop is height adjustable. Rim height adjustments from 10' down to 6' are made easily with its low maintenance extension spring design. Heavy foam padding protects players on the front, sides and back of the base unit. A boom extension pad is also included. Unit is extremely stable as well as durable and will not tip over when players hang on the rim. For additional support, rear hold downs are included. Floor load on the wheels is: 350 psi. All Hurricane portable basketball goals are covered by First Team's unmatched Lifetime Superior Warranty (Hurricane Triumph - FL)

List Price \$8644.00 Sell Price \$7779.60 (freight included)

PlayersGoal® (Promats) manufactures both a cantilever & over-head style of Long Gone™ baseball/softball batting tunnel. Both are constructed of heavy duty rolled aluminum tube with a net offset to help minimize the safety risks associated with baseball/softball ricochet. All standard batting tunnels come with a black #36 nylon 1-3/4" square mesh net with entrance/exit, block pulley system, corresponding ground sleeves with caps and net extension arms to ensure the net remains taut and secured to the ground. Custom sizes, designs, powder coating color options, and base plate mounting systems are available.

Side-By-Side Systems Available

Wormgear Net Tensioning Crank

Net Height Indicator

Built-In Transport Wheel

FREE Lettering with Purchase of V-ball System

Frontier

The Frontier steel competition volleyball post system offers exceptional net and post rigidity. Steel volleyball posts have long been the popular standard when it comes to maintaining bowstring tight net tension. Though advances have been made with lightweight titanium standards, steel is still the most economical way to get competition quality net tensioning.

Though Frontier's uprights are constructed of thick 1/4" wall steel tubing, the Frontier is the only volleyball system constructed with its own built in transport wheel on each post. Simply roll each upright to its respective floor socket and drop the volleyball post into place, no lifting required.

All Frontier packages come complete with a wormgear crank net tensioner that will not backdrive and is the safest in the industry. The telescoping pistons are spring loaded for simple, quick net height adjustments from 78" to 98" for all levels of play. Net height is shown on the built in net height indicator. System comes with a top quality knotless mesh competition net made with Kevlar. Upright padding is included in your choice of 12 colors, padded rope covers and chain net height gauge are also included. Entire system meets all NCAA, National High School Federation and USVBA rules.

HIGH IMPACT™

GRAPHIC WALL PADDING

First Team

HOME OF THE EAGLES

Energize your facility with First Team's High Impact graphic wall padding! First Team's unique digital printing process allows us to print any image you desire on our safety pads. Our graphics team will work with you to develop the perfect look for your facility. We can use customer supplied artwork (see artwork specifications) or develop your art from scratch. High Impact pads are priced including one hour of in house art design. Two inch thick foam pads are available in standard 2'x6' and 2'x8' sizes. Odd size panels are available and are priced per square foot. Pads are mounted permanently to the wall through 7/16" thick plywood backing. A 1" lip top and bottom is provided for wall attachment. Fastening hardware is not provided. If cutouts are required for outlets, etc. simply order field cutout FT449 shown, specify size and color. Common applications require 8 panels, 16' to protect the 12' wide free throw lane. 1-Year Limited Warranty.
