Contract #23-16PV-05

What will happen after the sale?

Our business model ensures a long term relationship with our customers!

K-12 & Community Colleges - School Furnishings

THAT'S WHAT WE DO!

Our Core Beliefs are Honesty, Trust and Respect

Coyote School Furnishings is your source for **Classroom, Library, Cafeteria and Administration Furniture.**

Honesty

Coyote School Furnishings, we never just tell you what you want to hear. We never sell you products outside your budget, or those you don't really need. Honesty is central to the way we operate.

Relationships

Call on **Coyote School Furnishings** once, and we'll be there whenever you need us. Even if products are lost or damaged during shipping, or incorrectly installed, we're here to make the situation right. We react quickly to resolve any issues that may impact your order.

Variety

Coyote School Furnishings offers a full range of furnishings for the Classroom, STEM Labs, Cafeteria, Library, Administration & Athletics. We also carry a number of athletic accessories, such as goalposts and basketball set-ups.

Service

Coyote School Furnishings, we provide **Furnishings Consulting** with **Design** and **Layouts** for projects from one classroom to a **New School**. Our installation team including our **Project Manager**, will ensure your order is completed to your total satisfaction. In fact, you can contact us at any time for any issues that might arise.

Coyote School Furnishings is contracted with **One Government Procurement Alliance #23-16PV-05**), we support the Education Market Association, Arizona Rural School Association, Arizona Association of School Business Officials and the Arizona School Board Association. Contact us to request a quote, or with any questions or comments you might have. We look forward to personally assisting you!

Our most durable edge is strong enough to stand up to everyday abuse and is virtually indestructible. Perfect for table tops, benches and stools, this unique edge coating allows for easy clean-up from lunchroom spills or a deep, steam cleaning when needed. By removing the biggest concern of separation from the top along with resistance to bacteria and moisture, Lotz Armor Edge™ comes with a proven track record for long-term durability.

Versatile acoustical tiles *fräsch!*

GEAR is a modular acoustical element that is a series of interlocking 3D hex blocks that can be applied to the wall, ceiling, and combined with lighting. Its versatile hollow cavities provide an average NRC rating of 0.70 and can be nested together like gears meshing. Each module can be easily attached with a screw to the wall using an innovative front access hatch that blends into the shape when closed creating a distinct wall pattern while improving the acoustical sound absorption of a room.

Café Time

— BY NPS® —

the industry's best value for an all-inclusive café table and stool.

You have asked, and we have answered!

All Café Time tables now include two feet options, an adjustable glide or — **NEW** — a double wheel hooded caster in matching Charcoal Slate/Grey. Use with glides when tables are kept stationary or install included caster wheels for rolling around such as for nesting and storage.

CTT3042 List: \$539.00 **Sell: \$323.40**

Every convenience you've ever wanted, built into a gorgeous charcoal slate colored 1-3/8" thick plastic top, mounted on a matching silver square frame.

Use as a café table in standard 30-inch table height, or effortlessly raise to 42-inch bistro height, with a simple pull of the concealed pneumatic lever. 36"W x 36"D with contoured corner edges, they are perfect for your break room, cafeteria, or lunchroom. Lightweight, scratch resistant and durable, the attractive top will complement any décor, and the sleek contemporary legs will provide a perfect airy look. Tilting latch sets table top into vertical position for compact storage, while contemporary styled legs allow nesting with adjacent tables. Matching charcoal slate colored bistro height stools feature ergonomically curved plastic seats and backs mounted on a sleek 1-1/8" tubular steel frame, with silver tone powder coated paint. Rubber floor friendly glides will protect floors.

WB0220

Infant Floor Mirror Set

Mirrors are important tools that foster a young child's self-awareness, self-esteem, intellectual curiosity and cognitive development. In an inventive twist, we applied safe, shatterproof acrylic mirrors on a variety of block shapes to encourage a first-mover's mobility, coordination and confidence through exploration and play. Constructed in beautiful, durable birch plywood with no visible screws or joinery and edges that are rounded over and sanded smooth for safety.

Dimensions vary with configuration. Weighs 110 lbs.
