Our most durable edge is strong enough to stand up to everyday abuse and is virtually indestructible. Perfect for table tops, benches and stools, this unique edge coating allows for easy clean-up from lunchroom spills or a deep, steam cleaning when needed. By removing the biggest concern of separation from the top along with resistance to bacteria and moisture, Lotz Armor Edge™ comes with a proven track record for long-term durability.

## Versatile acoustical tiles *fräsch!*

GEAR is a modular acoustical element that is a series of interlocking 3D hex blocks that can be applied to the wall, ceiling, and combined with lighting. Its versatile hollow cavities provide an average NRC rating of 0.70 and can be nested together like gears meshing. Each module can be easily attached with a screw to the wall using an innovative front access hatch that blends into the shape when closed creating a distinct wall pattern while improving the acoustical sound absorption of a room.

# Café Time

— BY NPS® —

*the industry's best value for an all-inclusive café table and stool.*

**You have asked, and we have answered!**

All Café Time tables now include two feet options, an adjustable glide or — **NEW** — a double wheel hooded caster in matching Charcoal Slate/Grey. Use with glides when tables are kept stationary or install included caster wheels for rolling around such as for nesting and storage.

Every convenience you've ever wanted, built into a gorgeous charcoal slate colored 1-3/8" thick plastic top, mounted on a matching silver square frame.

Use as a café table in standard 30-inch table height, or effortlessly raise to 42-inch bistro height, with a simple pull of the concealed pneumatic lever. 36"W x 36"D with contoured corner edges, they are perfect for your break room, cafeteria, or lunchroom. Lightweight, scratch resistant and durable, the attractive top will complement any décor, and the sleek contemporary legs will provide a perfect airy look. Tilting latch sets table top into vertical position for compact storage, while contemporary styled legs allow nesting with adjacent tables. Matching charcoal slate colored bistro height stools feature ergonomically curved plastic seats and backs mounted on a sleek 1-1/8" tubular steel frame, with silver tone powder coated paint. Rubber floor friendly glides will protect floors.
