To whom it may concern:

Please accept this letter as my recommendation of Jeff Marton and Coyote School Furnishings as your school furnishings contractor. I have worked with Jeff on two occasions to supply classroom furniture to Corona Foothills Middle School in the Vail School District. I have found the following to be characteristic of Jeff and his company:

- Jeff is not just around to sell you the furniture. He is present through the entire process. This includes following up during installation and follow up after the installation process.
- Jeff is always available by phone or email. If you call and reach his voice mail, he is prompt in returning your call.
- If there is a problem with any of the furniture he sells, the problem is quickly resolve.
- Jeff will not undersell or oversell you. He will find you exactly what you need at the price you can afford to pay.
- Jeff is in the business of customer satisfaction. He is interested in serving your needs in the future, and is not just a one and done.
- Jeff is just generally a nice man to work with. He listens carefully to what you need, and then works with you to meet those needs.

If you would like any further information regarding my very successful experiences with Mr. Jeff Marton and Coyote Furnishings, please do not hesitate to contact me at 879-3504.
