

To: Gerald Romano & Soul Machine  
Testimonial from Clearbrook Community 2025 & 2026  
1 Clearbrook Drive, Monroe NJ 08831

Soul Machine absolutely *made* New Year's Eve at the Clearbrook Community in Monroe, NJ for both the 2025 Enchanted Forest Gala and the 2026 Viva Las Vegas Bash—and that's not something we say lightly. From the first note to the final encore, their performance was seamless, energetic, and completely captivating.

A special spotlight has to go to Emily and Billy, whose vocals are nothing short of phenomenal. Emily brings power, range, and emotion that instantly draws you in, while Billy's smooth *Michael Jackson* dynamic style keeps the crowd engaged and on their feet. Together, they create a chemistry that elevates every song they perform. But frankly, each and every member of this band deserves a round of applause for the sheer talent, camaraderie and collaboration that they bring to the stage.

Behind the scenes, Jerry deserves major recognition for being such a pleasure to work with. Organizing an event like New Year's Eve can be challenging, but Jerry made the entire process effortless. He worked closely with us to craft the perfect set list, reading the room and ensuring the music kept the energy exactly where it needed to be all night long.

Soul Machine is the total package—exceptional talent, professionalism, and an entertainment factor that is truly off the charts. The dance floor was packed, the audience was thrilled, and the night was unforgettable.

We cannot wait to welcome them back for New Year's Eve 2027 Moulin Rouge Soiree!
