CALL  
TO ARTISTS

'Art In the Yard 2026' is an open-air Art Exhibit-an outdoor Art Gallery event inviting the public to view it in a multi-garden environment; giving the community a chance to converse with the local artistic talent while promoting a fundraiser for the local Food Bank.

There will be an interactive component to it.  
The community is invited to create small paintings .  
It is also a means for Artists/Artisans  
to connect  
with each other
