\*Email us at: [artintheyard1@gmail.com](mailto:artintheyard1@gmail.com)

Registration Deadline: June 1st, 2026

'Art In the Yard 2026' is an open-air Art Exhibit-an outdoor Art Gallery event inviting the public to view it in a multi-garden environment; giving the community a chance to converse with the local artistic talent while promoting a fundraiser for the local Food Bank.

There will be an interactive component to it. The community is invited to create small paintings to become part of a larger design.

It is also a means for Artists/Artisans to connect with each other.

The Education component: meeting with Artist/Artisans to find out their process-the public is invited to listen to the Artists speak- a Question-and-Answer session.
