Cold-Cast Bronze

Resin Casting Process

WAX SCULPTING
REPORTODUCED IN COLD-CAST
BRONZE.

THIS TECHNIQUE INVOLVES BLENDING BRONZE POWDER WITH RESIN TO PRODUCE A SCULPTURE THAT HAS A BRONZE FINISH THAT GIVES A BRIGHT BRONZE METALLIC RESULT TO THE SCULPTURE. THE SCULPTURES CAN BE ACTIVE FIGURES OR SCULP PORTRAITS, DEPENDING ON THE DESIGN OF THE MOLD.
