Directions to Walling Law Firm, P.C.

1050 Crown Pointe Pkwy
Suite 810
Atlanta, Georgia 30338

From I-285 and Georgia 400:

Exit at the Abernathy Road - Dunwoody Exit off Georgia 400, which is the exit immediately North of I-285. Go East on Abernathy Road (towards Perimeter Mall). Abernathy Road at Mt. Vernon Road changes names to Perimeter Center West. After passing the MARTA Sandy Springs Rail Station on the left and shortly after passing the Goodwill and REI stores on the right, turn left at the traffic light onto Crown Pointe Pkwy (a restaurant by the name of Joey D's Oak Room is on the left corner). Proceed on Crown Pointe Pkwy **past** the 1040 Crown Pointe building. Turn left at the driveway entrance to the 1050 Crown Pointe building (**immediately before Life Storage**). It is a 15-story glass and red marble building. Follow the driveway to the back of the building, to the covered parking deck for 1050 Crown Pointe. On the 2nd level of the 1050 Parking Deck near the entrance to the covered walkway to the 1050 Building there are 4 parking places reserved for "Symphona LLP." Feel free to park in those spaces or any other non-designated parking spaces. Parking is free.

Take the covered walkway, following the signs to the 1050 Crown Pointe building. I am on the 8th floor in Suite 810 (immediately across from the elevator).

I share space with the accounting firm of Symphona, and you will see that name to the side of the glass doors to the suite. Go in, and tell the receptionist there that you are there to see Greg Walling.
