## We Appreciate You

The mark of a great charitable organization is the ability to consider the needs of others as you do the work you are called to do. Thank you for seeing our need and for being willing to fill that gap! The teachers and students are touched by your generosity and your service. We are so fortunate to have The Rock Corvette Association of North Texas as a partner with our school!

With gratitude,  
Ms. Gabriel and the Staff at Forestridge Elementary
