WHAT YOU NEED TO KNOW

- Using drills, marking tests and blind tests, we'll sharpen up your dogs marking, handling, fundamental skills and ability to tackle concepts. At the same time I'll help you tighten up your handling skills, improve your timing and ability to read and tackle tests in an effective manner.
- Prerequisites - Must be through the basics (collar conditioned, force work, t work, swimby) and in the transition or advanced phase of training.
- Location - Coolwater Farms, 600 Acres of premier training ground. 1139 Hwy 9N, Bruce MS
- Options for 5, 6 & 7 days of training.
- I'll provide birds, 2 live flyers, 2 bird throwers, professional coaching and a welcome meal at the end of the first day. You should bring a two way radio and a training pistol. Able bodied individuals may be required to help with tests.
- For more information or to reserve on site accomodations, contact Judy Merians 517-404-1539 mikemerians@yahoo.com
