- 2021 brought The Silly Sprout some big changes. We moved to 503 Bantam Rd to better serve you with more parking, outdoor events, extended hours and curbside pickup options! Thank you for supporting us!

As you have heard; supply and demand issues, warehouse shortages, and shipping delays have changed the way we all shop. They are projected to continue throughout the holiday season. But don't fear, we have you covered!

This gift guide was created with those issues in mind. These are bound to be our biggest hits for the holiday season. We've curated some awesome toys, that we are hopeful we can continue to restock thru the shopping season.

Of course, we have much more in store than what's in this gift guide, but you'll have to discover those for yourself! If you're reading this, it means the products you see on these pages are on the shelves right now! We are encouraging everybody to shop early to guarantee the best selection! We are happy to take payment over the phone and coordinate pick up for you. Just call us!

We hope your holiday season is merry and bright, and filled with joy and laughter. (If you need a good laugh just stop by and watch us sweat as we wrap all of these gifts!) Thank you, always for your support!
