

### **POLY SURFACING SYSTEM PRODUCT WARRANTY**

All Poly Surfacing System Products have a LIFETIME GUARANTEE to:

- Be free from manufacturer defects in material.
- Not to color fade, corrode, shrink, become brittle, develop structural or surface cracks
- Not to require refinishing if proper care and maintenance is administered (products must be stored/installed indoors away from rainwater and direct sunlight).

### **POLY SURFACING SYSTEM CARE & MAINTENANCE**

- Use warm water and a non-abrasive neutral cleaner such as dish detergent.
- Rinse the surface thoroughly after washing and dry with a soft cloth.
- Soap scum can be minimized by using a squeegee after each use.
- To remove soap scum, use non-acidic soap scum remover or a solution of ammonia and water (about ½ cup of ammonia to a gallon of water).
