everychild. onevoice.

Additionally, we will be holding a food drive for our Food 4 Thought pantries on August 24th - find out more information about this program and how YOU can help on the reverse side of this flyer!

Help us support the Food 4 Thought Pantries by bringing a donation to the School of Information on August 24th, 2019

**All items Microwavable / individually packed
No frozen or refrigerated items * No cans or glass please!**

Food 4 Thought was launched in January, 2014 to aid HSD students and families in need. The District houses four closets at each of the High Schools (Central, East & West), and one at the Opportunity Center (East Middle) however, assistance is available to ALL 33 schools in the District. Students and families in need are identified by District staff (i.e., social worker, teacher, cafeteria staff, etc.), and items are distributed by the social workers.

Food 4 Thought is operated by 100% donations, and has no paid employees or expenses, so 100% of what you donate is able to go directly to stock the closets. All items must be microwavable, easy to open and carry.

Statistics show that food insecurity contributes to a students' poor academic performance. The USDA defines food insecure as "household or individual condition of limited or uncertain access to adequate food".

How can YOU help?

DONATE – Non-perishable food items are accepted throughout the school year. Please arrange donation pick up by contacting Margaret Slaughter (see contact info below).

See the 'Suggested Donation List' →

HOST A FOOD DRIVE – The best way to keep the closets filled is with the help of Food Drives hosted by you, your Unit, Community Members, Churches, etc.

See the 'Suggested Donation List' →

MONETARY DONATIONS – Monetary donations may be made payable to 'HSD PTA Council', and mailed to the address below, (Attn: Food 4 Thought)

Questions, contact Margaret Slaughter at
(314) 368-8195 or mslaught313@yahoo.com
