

# GRACE

Grace is a sovereign gift of love.  
From the Father thru his Son.  
Imparted to a sinner,  
by works this is not done.

Grace is a gift of loving - kindness,  
given by Him up above.  
To touch the heart, of a fallen sinner,  
and draw him close with its cords of love.

Grace is given for God's pleasure,  
because it is his will.  
To save a wretched sinner,  
kept safe in Christ until.

The final day of judgment,  
when before God, all shall stand.  
When the goats and sheep are separated,  
by the power of God's hand.
