

SALVATION

My Lord Jesus, full of saving grace,
I thank you Lord, for taking my place.
Paying for my sin's, as you hung on the cross.
Rescuing me, from being eternally lost,
Bearing my stripes, upon your back,
When I was the one, who should have been
whipped on the rack.

Preaching salvation, to lost creatures like me.
I often wonder, what I can do for thee?
Repent and believe, is what I shall do.
Knowing your faithfulness, shall carry me through.
Receiving free grace, from heaven above.
Rejoicing that I'm called, into the covenant of Love.
