

# Lost Sheep

Remember lost sheep, there's only one way to pray.  
I'm telling you this, to lead you on your way.  
Don't tell father so and so, the things that you've done.  
Confess to the Lord Jesus, for your battle he's won.  
Nobody else, cared so much for the lost.  
Nobody else, shed their blood on the cross.  
To cleanse you and wash all your sins away.  
Ask Jesus for forgiveness,  
from down deep inside your heart.  
He'll send the Holy Spirit, to quicken the start.  
A race to the finish, for times running out.  
With Jesus Christ on your side, there shall be no doubt.
