

LOVE FROM ABOVE

When the Lord from heaven, comes knocking at your door.
A cup of his salvation, for you he will pour.
You just have to believe in Him,
His spirit will set you free,
Come on people, open your eyes and see.

A sinner can be saved, by His name alone.
On your knees and pray, throw out your heart of stone.
Confess all your sins to him, ask Jesus to set you free.
Come on people, open your eyes and see.

When we go to heaven, we'll sing praise in His name,
Worshipping God on His throne, you can do the same.
Just ask our sweet Lord Jesus, His spirit will set you free.
Come on people, open your eyes and see.

Love from above, it will make you brand new,
Love from above, it will keep shining through,
Love from above, put a smile on your face,
For Jesus will save you, with His saving grace.

Chorus
