

Personal Experience

Jesus, O, Jesus, I come to you now,
My heart has been broken, my head's spinning round.
Corruption inside of me, has brought me today.
To drop to my knees, Lord, and humbly pray.

Jesus, O, Jesus, A sinner am I.
Wretched and sinful, deserving to die.
But you gave your life for me, to set my soul free.
Jesus, please save me for eternity.

Son, O, Son for believing in me.
I'll give you a gift, for eternity.
I'll send the Holy Spirit, to lead you back home.
To the great wedding table, to worship God on His throne.

Praise the Lord daily, in all that you do.
He'll clean you and shape you, and make you brand new.
Believe in the Lord Jesus, these things will come true.
It's how he found me, it's how He'll find you.
