

SAVING GRACE

I pray each day, that you will have your way,
and cleanse my wretched soul.

Convict me of my sinfulness,
and show me the way to go.

Remove the scales upon my eyes,
that I may see the condition I am in.'

And draw me to your son Jesus Christ,
for this battle he did win.

Throw out my stony heart Lord,
and put there in its place.

A heart that's full of love for you,
filled with saving grace.

Amen
