

The Comforter

A long time ago, our Lord died on the cross.
Giving his life for the sheep that were lost.
A one-time sacrifice, for the sins of mankind.
Accept the Lord Jesus, put peace in your mind.

When you are feeling all saddened, and blue.
Remember little child, there's a comforter for you.
Believe in the Lord Jesus, sent from heaven above.
Repent of your sins, receive the promise of love.
