

LORD JESUS

Lord Jesus, I ask you,
please search me through?
Put me to the test, to see if I am true.
And all that you find Lord,
that is going against you.
Please bind and subdue it,
to start me anew.

Please fill me with grace,
from heaven above.
Drawing me closer,
with the cords of your love.
Lord Jesus, I place all of my hope in you.
For I know that your way's,
are tried and true.
