

# Refuge

Lord, when I am hungry, you fill me up.  
When I am thirsty, you hand me a cup.  
When I am weary, you give me rest.  
While I am tested, you see that I'm blessed.  
Lord, your there with me, guiding me thru.  
No matter my problem, I must turn to you.  
With faith as my shield, I go through my life.  
You pull me closer in times of strife.  
When darkness abounds, I reach out and you're there.  
Showing me no end, to how much you care.
