

# The Soldier

Jesus has been good to me,  
He has brightened up my day.  
Placed me on a well-worn path,  
that leads salvation's way.

Called me out of darkness,  
and exposed me to the light.  
Promised me eternity,  
and told me not to fright.

A breastplate, and a shield, I have,  
from the goodness of His heart.  
Tool's I'll use my lifetime,  
to turn many a fiery dart.

Trained in spiritual warfare,  
I walk out into the night.  
Combating forces of darkness,  
until there's nothing left, but light.
