## CONTRACT

By signing this document, the applicant confirms that all of the above information is correct to their best knowledge. The applicant understands that K9to5 reserves the right to accept or deny any application for a Pawsatively Perfect Poodles and Doodles Puppy. If the application is accepted, a \$500 nonrefundable deposit must be provided in order to reserve a puppy. K9to5 has first pick of every litter to use for our "Anything is Pawsable" program. The remaining balance will be due when the buyer picks their puppy.

The buyer agrees to provide a life-long commitment, adequate living environment, prompt medical attention, appropriate grooming, and overall responsible care for their puppy. If the buyer cannot keep their puppy for any reason, the puppy cannot be transferred to a third party without written consent from the breeder. K9to5 will accept any puppy back if rehoming is deemed necessary. The buyer understands that this puppy is companion quality and is structurally and temperamentally suited for a perfect pet. Obedience classes are always recommended for an overall well mannered dog and a strong bond between family and their dog.

The breeder agrees that the puppy is in good health as far as the breeder's knowledge upon pickup date. Each puppy comes with a 1 Year Health Guarantee covering any illnesses found by a licensed veterinarian within the first 72 Hours after purchase. If the puppy would develop a severe genetic disease within the first year, the puppy can be returned to the breeder and replaced at no charge. A formal letter explaining these health concerns must be provided by your veterinarian within 14 days after diagnosis. If you fail to have your puppy seen by a vet within this 72 hour window (excluding Sundays and holidays), this health guarantee will be void. An additional copy of this contract that must be signed by the buyer, as well as the breeder, will be provided at pickup.
