Barhyte Specialty Foods, Inc CEO, Chris Barhyte "We are proud to place our Suzie's Organics brand name on the Oregon United FC jersey's. As a father of two kids that both played youth rec soccer I experienced how it helped them grow into wonderful young members of our community. Our whole family will have life-long family friends that we meet during soccer. Our family is excited to support the community that has allowed us to enjoy the game, and has afforded our teams many successes."
