LaVilla School of the Arts

Dear Vocal Music Students and Parents,

It is our pleasure to welcome you to the Vocal Music Department at LaVilla School of the Arts.

In our 24-year history, LaVilla soloists, ensembles and choruses have established a precedent of receiving the highest ratings by adjudication in local and national festivals. Since 2003, LaVilla's combined tour chorus has been well received on multiple international invitational concert tours, visiting Austria, England, Italy (where our students were invited to sing at St. Peter's Basilica in Rome), Greece, France, and Canada.

The Education department of the Metropolitan Opera in New York was our featured guest in January 2012 for our first student-written pastiche opera, "The Frosted Land". Our students are breaking ground, having written a full-length, fully staged opera, debuted in in Spring of 2016. This feat earned us the Arts Innovator Award from the National Arts Schools Network in 2017. In the Spring of 2018, our young composers premiered two one-act musicals to a packed house. In our first post-pandemic competition run in Spring of 2023, the LaVilla choruses brought home the trophies for Best Chorus and Best ShowChoir in a nine-state choral competition.

LaVilla offers opportunities for students at all levels of vocal development. We know you will find the LaVilla vocal music experience to be enjoyable and enriching.

As outlined in the Mission Statement, our program will provide opportunities for students to develop proficiency in sight reading, ear training, producing an acceptable individual vocal tone, and contributing to the overall "one voice" blend of their respective chorus. Emphasis will be placed on expanding the student's knowledge of traditional choral literature and techniques through varied repertoire, developed yearly. Students will be encouraged, on a daily basis, to learn the language of music through the study of music theory and ear training.

The positive attitude of our students is the foundation for past and future successes. **Attitude is truly everything:** in the chorus room and throughout their life. It is obvious to us that because of you - the caring, interested, and involved families - we are able to work so well with our vocal music students. We thank you in advance and look forward to a great year at LaVilla!

Students, you are a part of an organization that requires dedication, hard work, and a commitment to excellence. These are the ingredients for success. **This handbook was written for you** so that our Vocal Music Department will be able to operate as efficiently and smoothly as possible for everyone.

Please take note of our grading policies and complete and **return the information form & contract found at the back of this handbook.**

Please read your handbook carefully and **keep it available throughout the year** so that you are aware of the rules and expectations. Please feel free to ask if there are any questions!

Sincerely,

Theresa Moreau

Shawn Pendry

Mission Statement

To provide opportunities for students to develop proficiency in producing an acceptable individual vocal tone, sight-reading, ear training and contributing to the overall “one voice” blend of their respective chorus.

Vocal Music Philosophy

We firmly believe that the child should improve daily. We are convinced that the happiest child is one who is improving themselves through regular habits of disciplined practice and daily progress. They must be willing to continually work toward attaining these goals.

Goals and Objectives

- To promote and encourage interest and participation in vocal music
- To develop the individual voice and acquire an understanding of its relationship to a choral ensemble
- To foster confidence through creative self-expression
- To develop aesthetic and musical artistry appreciation
- To increase musical literacy, skills, and knowledge
- To prepare the student for experiences in high school programs, community involvement, and a lifelong appreciation of the arts
- To strive to best serve the needs of the student, the interests of the school, and the community

We intend to conduct the vocal music program in a manner that will encourage all students to achieve the above goals.

The Student's Responsibility to the Vocal Music Program

- Regularly attend school, rehearsals, and performances
- Make a **noticeable effort** to learn and improve daily
- Be responsible for, and expect to assume the consequences of, their actions
- Have proper respect for self, classmates, and those in authority
- Follow all classroom rules, school regulations, and all travel instructions issued for trips
- Be honest and fair with others concerning equipment, music, and school life in general
- Cooperate with fellow chorus members and share with them the responsibilities and privileges which are part of the vocal music program
- Be personally clean, neat, and appropriately dressed; physical warm-ups occur daily
- Contribute positively to their music education and that of others by the best use of their talents
- Work toward reading and singing music with understanding and expression
- Improve knowledge and understanding of music theory and history, as well as develop good listening habits
- Demonstrate an understanding of proper concert etiquette and decorum

Use of Choral Equipment and Space

- **No one** is allowed in the practice rooms or uniform area without prior approval from a choral director.
- Practice rooms are for **rehearsal only** unless otherwise designated by a choral director.
- Pianos are **not to be played by students without permission** from a choral director.
- All personal items are to be kept in backpacks.
- **NO FOOD OR DRINK IS ALLOWED** in the vocal suite (bottled water is allowed). **NO GUM.**
- No equipment is to be removed from the choral suite: **this includes music binders.**
- Turn off all equipment when not in use.
- **No spraying of perfumes or body sprays inside the vocal suite**

Non-compliance with these rules will result in a lack of future privileges

Attendance

The LaVilla School of the Arts (LASOTA) vocal music student is required to attend **ALL** vocal rehearsals and performances applicable to their specific chorus. A performance is the opportunity for a student to demonstrate vocal proficiency, critique the performance of other groups, and practice concert etiquette.

ALL of our students are essential. We have no replacement for **YOU**.

**It is the responsibility of the student to be grade-eligible for vocal/choral activities.
The student must maintain an overall G.P.A. of a 2.0 in all classes to perform.**

A student cannot participate in a rehearsal or performance if **absent for more than half of that school day; this is a county rule. AN EMAIL IS REQUIRED** to notify the director **in advance** of any absence.

**AN UNEXCUSED ABSENCE FROM ANY REHEARSAL OR PERFORMANCE
WILL AFFECT THE STUDENT'S GRADE
AND IS GROUNDS FOR DISMISSAL FROM THAT PERFORMING GROUP.**

Approved absences: (make up work will be assigned)

- Doctor excused (Signed doctor's note provided to the choral director immediately following absence)
- Director's discretion

Unexcused absences: (make up work will not be assigned)

- No show, no doctor's note, inadequate reason
- Incomplete uniform (there is always a way)
- No transportation (there is always a way)
- Transportation arrangements to and from all choral activities are to be made well in advance of the performance to avoid last minute difficulties.
***Check the calendar dates and **HAVE A BACK – UP!**
- All students are provided with written and verbal notification of concert dates, times, and details well in advance of choral performances. (see chorus calendar, page 12)
- If, by misfortune, a parent or guardian is unable to attend a performance or choral activity, transportation to and from the performance is to be arranged **in advance** for the student.
- Students are to be picked up **promptly** at the conclusion of rehearsals and performances.
Please be understanding of those who must wait with your child.
All school performances will be over by 9:00 P.M.
- Ticket fees for non-performers are determined by the LaVilla Foundation.

How Parents Can Help

AT HOME

- Show an interest in the music study of your child.
- Ensure that they have all necessary daily materials.
- Teach them to be on time for all rehearsals and performances.
- Support your child with your faithful attendance at as many choral activities as possible.
- Be an example of appropriate concert etiquette and decorum.
- Make sure your choral student has **clean, complete uniforms** for all performances with necessary repairs.
- Ensure that your child meets their chorus financial obligations in a timely manner.

AT SCHOOL

- Keep a record of your child's various music activities.
- The choral director must be aware, **in advance**, if the student will be absent or tardy at lessons, rehearsals, or performances.
- Ensure that they take materials to school daily.
- Make certain that they keep up with academic studies and make up work they have missed.
- Discuss with the choral directors anything that will help them understand your child. We are interested in doing everything we can to teach and help develop your child.
- Attend concerts.
- Attend monthly vocal meetings at 6:30pm as scheduled on page 12 of this Handbook - **your input is vital!** Meetings are virtual via Facebook Live @LaVillaFoundation ; your comments and questions can be answered in real time during the meeting. Meetings are also recorded to be viewed at a later time if you have a conflict.
- Help with activities.
- Collect your child **promptly** after rehearsals and performances. Scheduled after school rehearsals and/or help sessions will end @ 4:45pm.

Enrichment Activities

Choral students are eligible and encouraged to participate in one or more of the following enrichment activities:

Honor Choirs - These groups contain students, selected through testing, audition, or director's discretion, to participate with other high performing students in our surrounding areas and possibly all of Florida. These groups include: **All State Chorus**-open to 7th and 8th grade students who participate and pass 2 required tests and an audition. **Jax Sings @ UNF**-open to invited students. **All County Honor Choir**-open to invited 6th, 7th, and 8th grade students. **Jacksonville University Invitational**-Chorus 4 students. **ACDA Honor Choir**-7th and 8th grade students, by audition.

District Choral Music Performance Assessment (MPA) - *All choruses are required to participate* as part of their choral work at LaVilla. This adjudicated performance gives valuable feedback to each chorus on their group performance and sight-reading skills.

District Solo/Ensemble - All students in Vocal Techniques Class, Art Singers, and Broadway Bound are **required** to participate in this event as part of their coursework at LaVilla. It may also be open to all students who participated in the District Chorus MPAs and sign up to perform a solo. This is an extracurricular activity and requires students to work outside of school to prepare.

- ✓ Rehearsal Posture
- ✓ Positive Attitude of Learning
- ✓ Assignments/Assessments
- ✓ Sight-Reading Quizzes
- ✓ Rehearsals & Performances
- ✓ Proper Performance Attire & Professionalism

Parents are encouraged to consult the director at any time regarding grades and their child's progress in the vocal music program. Open dialogue between the parent and the director is necessary to determine and develop the unique needs of each individual student. Close communication is the key element in diffusing any challenge. *Extra tutoring or small group help is available by appointment.*

All students must have a signed pass from their choral director to attend any pre-arranged help session. Students must be dropped off and picked up at the agreed-upon times.

Grade Recovery

Grade recovery is available to students who have less than a 70% (C) average. **PERFORMANCES, PERFORMANCE DRIVEN CONCEPTS, DAILY REHEARSAL SKILLS, and HISTORICAL CONCEPTS are not eligible for grade recovery.** Grade recovery must be initiated by the parent & student either through written/email communication or scheduled meeting. The choral director will create a grade recovery contract that must be signed by both student and parent outlining the requirements in which to recover the grade. **Grade recovery can take place during the quarter for individual assignments when offered or during the quarter immediately following a grade lower than a 70% (Quarter 1 grade recovery is not available after the close of Quarter 2. Quarter 2 grade recovery is not available after the close of Quarter 3. Quarter 3 is not available after the close of Quarter 4). A 70% (C) is the highest grade available for any assignments or full-quarter grade recovery.**
