Re: 2020 Gulf Coast Charity Open

The Gulf Coast Charity Open Staff along with Gulf Coast Events & Promotions are proud to present the 2<sup>nd</sup> Annual Gulf Coast Charity Open. This event

The Gulf Coast Charity Open is a one of a kind Professional Disc Golf Association event that places emphasis on player experience and charitable giving. Each year our event hosts over 230 players from all over the country for a weekend of competition. Additionally, each year our staff selects a different local non – profit organization to partner with and donate all the proceeds of our event to. This year we are proud to partner with The Ronald McDonald House Charities of Tampa Bay.

Tampa’s four Ronald McDonald Houses care for over 2,000 families each year while their children are receiving treatment in nearby hospitals. They rely on the support of our community to help raise over \$3.7 million each year to care for these families. All funds raised during our event and raised from generous sponsors such as yourself will be donated directly to RMDH. By partnering with the Gulf Coast Charity Open and becoming a sponsor you are providing your company/brand with a dynamic opportunity to advertise to a unique group of people who have an undying loyalty to those that support the causes we get behind. We have a social media reach of over 10,000 users between Facebook and Instagram and an unlimited number on our website. We leverage this platform to help promote you and/or your company in return for your donation.

On the next page you will find our different sponsorship levels outlined by dollar amount. Each amount has an associated set of benefits that you and/or your company will receive for our event just by simply donating to charity. To donate, please follow the link on the next page to pledge a donation and receive your tax deductible receipt. Once complete, a member of our event staff will be in touch to discuss the application of your sponsorship benefits.

We appreciate your time in reviewing this information and look forward to partnering with you!!

Sincerely,

Cameron J. Harbachuk
