

Congratulations on choosing a puppy as your new family member!

You are paying a non-refundable deposit of \$ _____ which will be applied to the total purchase price of \$ _____ with which the remaining balance of \$ _____ will be due at the time of puppy pickup on _____.

The puppy, described as: _____, is being sold with LIMITED / FULL AKC registration rights.

The puppy has had it's declaws and tails docked. They have been vet checked, dewormed and had it's first set of shots. It is HIGHLY recommended that you do not allow your puppy on any ground surfaces for at least 2 weeks after he/she has had their LAST set of shots.

The new owner has 72 HOURS after pickup on (DATE/TIME) _____ to take the puppy to a Veterinarian of their choice for a physical examination. If the Veterinarian certifies that the puppy has any congenital problems or disease that the puppy was incubating at the time it left the Breeder's home that makes it unsuitable to be a companion animal, the puppy may be returned for a FULL REFUND.

After 72 hours, the Breeder will NOT be responsible for the health of the puppy because the Breeder cannot control the environment to which the puppy is exposed. For the full refund accompanied by the Certified Veterinarian Report within the 72 hours of the puppy pickup date/time, the puppy must be returned within 4 days from the pickup date.

As a responsible and experienced breeder we have done everything in our power to provide you with a well-socialized and most importantly, healthy puppy. Our dogs are a part of our family and we certainly wish the same for our puppies. If for any reason you feel that you can no longer care for your new puppy/dog, the Breeder must be notified to take it back (free of charge) and place it with another loving home. **THIS PUPPY/DOG SHOULD NEVER END UP IN A SHELTER!**

Thank you for choosing Dragonfly Way Poodles and Doodles!
