MEETING: See details that follow on the annual Christmas Brunch.

Message from the Region Director

Our November meeting at Dennis' turned out to be a very busy one. In addition to having a great turn out of members, we also had a visitor who wants to make us all, or at least our cars, into movie stars. Jeff Frizzell of New Dominion Pictures paid us a visit and talked about their movie company which is located in Suffolk and produces TV movies locally. According to Jeff, they are constantly looking for cars of every make, model and description, and they pay hundreds of car owners for their use each year. Jeff has agreed to use me as a go-between. He will let me know what kind of cars are needed and I will refer him to the individual who has a car similar to or exactly what they need. My referral will be based upon the cars listed on your application form. Everyone needs to notify me if you are interested in participating in this program because I will not give your name and phone number to Jeff without your authorization. Jeff has indicated that their company has insurance to cover your car but you should check with your own insurance company to determine what affect this would have on your personal coverage. If you remember, I

printed a warning about using your car for commercial purposes about a year ago unless you have high dollar commercial insurance. If you were not at the November meeting but would like to investigate this further, call me and I will give you Jeff's number.

Our next meeting will be our annual **Christmas Brunch on Sunday December 3rd**. The group at our last meeting voted to hold the brunch this year at **The Founders Inn in VA Beach. The cost of the brunch is \$22.00 per person all-inclusive.** We ask that everyone pre-pay the cost. I will be calling everyone to take your reservation and I will ask that you send me your check in advance. We expect this to be a very enjoyable outing and it will take the place of our normal 1st Tuesday meeting at Dennis'. Remember also, that we will elect the 2001 slate of officers at this affair. We are printing the brunch menu and directions to the hotel on a separate page in this newsletter. I will be calling to see whether you plan to attend our Brunch.

Monthly Meetings

The Hampton Roads Region meets the first Tues. of the month and start at 7 PM at a local restaurant. The meeting locations are announced in the months newsletter

Minutes from November Meeting

1. Jeff Frizell from New Dominion Pictures in Suffolk came to our meeting to recruit members who would be interested in having their cars appear in TV movies. It was agreed that the director would act as the contact person and that members who were interested would let Art Matthews know.
2. The floor was opened for nominations for next year's club officers. By acclamation the group nominated the current slate to serve another year. Nominations will again be opened at our Christmas meeting followed by the election.
3. The director announced the receipt of a request from William Refakis from Cold Spring Harbor,

NY to join our region. Mr. Refakis apparently has an interest in purchasing Cadillac Convertibles from 1959 to 1970. The group voted to accept his membership.

4. It was announced that the Peninsula has acquired a new Saturday Night Drive-in spot at the old Kings Store lot on Jefferson Ave. Activities will begin there in the spring of 2001.
5. It was announced that the CCCHR is asking all members to attend the Hampton City Council Meeting regarding abandoned/junk autos on November 9th to protest the proposed ordinance against keeping such vehicles on private property.

(Continued on next page)

Minutes (continued)

6. The director summarized the results of our 4th annual show and reported that the club probably broke even on the event because of a low turnout.

Director's message (continued)

We would also like to remind you that the National Club requires that all regional members hold membership in the National club. If you don't belong to the National you will find many benefits to National membership including a National Directory, a monthly magazine, and the opportunity to participate in National Meets and tours. Don't miss these great benefits.

Lastly, again this month I have the pleasure of announcing three more new members to our fold. Seem as though our club is getting more popular by the month. So, welcome aboard to Ron Threadgill from Richmond, Greg Rankin from VA Beach, and Dr. Marshall England also from Richmond. To all our new members, please feel free to call me any time with your questions. I hope you all will join us at our annual Christmas Brunch. These are always fun events and, of course, we ask that you bring your wives or significant others.

One last note. Remember that annual dues are \$15 and are due in January for the year 2001. Please pay promptly so that we can prepare a new membership list in a timely manner.

Carolina Region

The Carolina Region of the Cadillac-LaSalle Club was established in June, 2000 and covers central North and South Carolina. Our 35 members come from across the Piedmont with a number residing in Charlotte, Greensboro and Winston-Salem.

We hold membership meetings every other month on the second Saturday. Members, often driving their collector automobiles, exchange information, tips, and stories about the old car hobby. Spouses and interested friends are encouraged to attend and participate.

Our regularly issued newsletter highlights coming events and topical issues. A Carolina Region website is under development and, in addition to news items, will feature a gallery of member's vehicles. Our planned activities include group participation in car shows, a visit to a large private car collection/museum, a picnic and informal Region car show, and tours.

Family membership dues are \$20 per year. Membership the national Cadillac-LaSalle Club is required to belong to the Carolina Region.
