Message from the Regional Director

Welcome to fall everyone. Time to sing "Hail to the Redskins".

We had a great turnout and great food at our house on Sept 2nd. I am sorry for those of you who couldn't make it. Hope to see you next time.

It is now time for everyone to polish up the old iron for our fourth annual show on Oct 14th at Suttle Motors. Be sure to mail in your registration form early so that we can plan a good distribution of cars throughout all the classes as this will give everyone a good shot at a trophy. Remember also that the trophies for this year will be the plaque style of trophy, a change which was requested and voted on at an earlier meeting. With the help of James Gregg, we have designed a new trophy style that we hope everyone will find very

pleasing. You will find a registration form in your newsletter.

I am pleased to announce this month the addition of three new members to our fold.

Dr. Bob Pelerin is an old friend of mine from our days together in the Studebaker club. Bob now owns an '85 Seville and we are happy to welcome him to our club.

Tom Bottoni is a young Navy man who comes to us from California. He drives an absolutely gorgeous '62 Coupe DeVille.

Ed Partridge is the owner of a '76 Seville and he comes to us from New Jersey. Ed has retired and will be settling in the Queen's Lake area of Williamsburg.

I am honored to be able to welcome all of you on board.

Monthly Meetings

The Hampton Roads Region meets the first Tues. of the month and start at 7 PM at a local restaurant. The meeting locations are announced in the months newsletter

Minutes from September Meeting

1. Members were informed of Hampton's City's new inoperative car law and were encouraged to write letters to the city council in opposition to the ordinance.
2. It was announced that the car club council is encouraging all member clubs to have members write letters to the VA Pilot in Norfolk and the Daily Press in Newport News encouraging those editors to publish more articles about the car collecting hobby.
3. The director introduced the concept of the club sponsoring charity events in the area. The group voted to table the issue until the club had grown larger.
4. It was announced that a CCCHR member had old 500 ci engines to be disposed of. James Gregg indicated interest depending upon the cost factor.
5. The director read a list of caddies for sale.
