Hosts for the CLC National Driving Tour – Sept 1-6, 2003

**MEETING: Mar. 4th 7 P.M.
Dennis Spaghetti & Steak House
3356 Western Branch Blvd. Chesapeake, VA
(Directions enclosed)**

Message from the Regional Director

I want to thank you for heeding my message from last month because once again we had a great turnout for our monthly meeting in February. We had quite a bit of business to conduct and I fear that some were worn out with the length of the business portion. In the future I will try to limit the agenda to a reasonable time. However, since we are the hosts for this year's driving tour, each meeting will contain some discussion about the tour preparations. I ask that everyone try to be patient and hang in there until we get through September. This reminds me. The first Tuesday in September will be the 2nd, right in the middle of the tour. So, mark your calendars now for moving our September meeting forward a week to September 9th. Maybe I

can get Dennis' to serve up something special that night to celebrate a successful tour!

The next item for consideration for the March meeting is a matter of a club donation to the Cadillac-LaSalle Museum. We have received a challenge from the Nor-Cal Region in California that they will match any region donations to the museum up until June 30th, 2003. This challenge was introduced at the last meeting and was tabled until March 4th to give all members a chance to voice their opinion on the question and amount of our contribution. If you want input into this question, be present at the next meeting because that's when we will vote.

TO ALL CLC REGION DIRECTORS OR PRESIDENTS

I NEED YOUR HELP!

If your Region has already sent in a contribution to the CLCMRC under the "Nor-Cal Challenge" as announced at the Detroit 2002 GN, or in the Self Starter, please let me know.

Some Regions have indicated that they have already sent contributions under the "Challenge", but the Nor-Cal Region has not been made aware of these contributions so that they can send in matching funds. I need to know the amount of your contribution, when it was sent, and to whom it was sent. If feasible, a copy of both sides of your cancelled check would be most helpful.

Please contact me ASAP if your Region is one that has already responded to the "Challenge".

Many thanks for your help on this.

Directors message (continued)

Lastly, for this month there are many things that I love about the arrival of spring. There is, however one thing I don't. It is that I have to become an ogre when it comes to annual dues. Once again: DUES ARE DUE. All dues must be paid by the end of February. Failure to heed this message results in this issue of "The Gold Standard" being your last. Please stay with us. It's only \$15.00! Also please return the roster questionnaire ASAP.
