NOTE: The September meeting is cancelled.

Message from the Regional Director

On your mark, Get ready, Get set and GO: to the 2003 National Driving Tour.

I want to thank everyone who has stepped forward to help with this big project. Your willingness to pitch in is really appreciated. We couldn't do it without your help.

At last count we have 38 cars and 83 people registered for the tour. We have folks driving their Caddies from 15 states as far away as Florida and Minnesota.

I also want to remind everyone that our 7th Annual Cadillac – LaSalle show is scheduled at Suttle Motors on September 6th. So, if you had to work and couldn't take part in the tour, you can still

come out for the meet on that Saturday morning. Right now we have 35 cars registered for the meet and I am expecting a total of 50 (or more) cars to show. This will be our biggest show ever so don't miss it.

Last note of this message is very important. Since our tour is scheduled for the first week in September, it conflicts with our regularly scheduled monthly meeting at Dennis' on the first Tuesday. **Consequently we have cancelled our September 2nd meeting and will look to see everyone at Dennis' on October 7th.**

Don't Forget!!!
