

Spot[®]

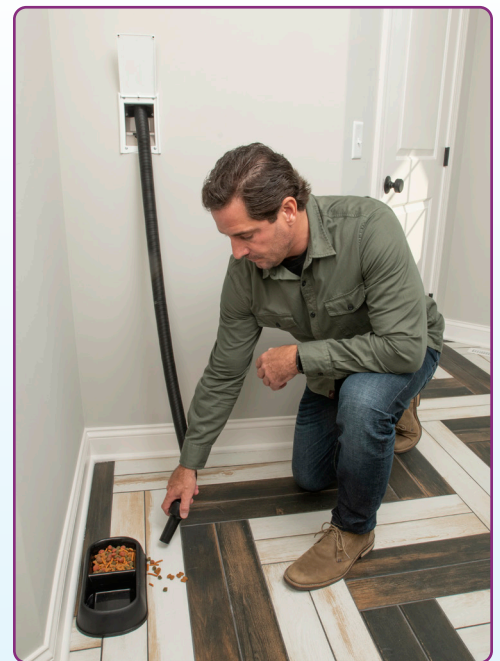

The Fastest Way to Vacuum Life's Daily Messes

Life can be messy.

Make it cleaner with Spot[®]—the quick-clean, central vacuum accessory with a retractable hose. Imagine being able to clean up daily messes without having to get a bulky vacuum or other cleaning supplies. It's possible with Spot!

Spot brings the speed and power of your central vacuum to the high-traffic areas of your home like laundry rooms, pet areas, pantries, foyers and mudrooms. It is always there when you need it, but concealed in the wall when you don't.

Spot[®]

Just Reach for the Clean™!

Spot is easy to use, just pull the hose out, switch the system on and vacuum. When finished, twist the hose to release and the powerful suction retracts Spot back into place.

Spot is packed with features for a superior quick clean experience:

- Reaches up to 15'
- Built-in, 360° swivel hose handle
- Automatic lock and turn-off
- Valve doors available in several colors

Spot clean all your day-to-day messes

litter box • dryer lint • detergent • pet food • mud • leaves • sand • broken glass
