

Butler County Rural Water District No. 2

P. O. Box 533 – El Dorado, KS 67042

Application for Water Service

The undersigned, being the owner of land located within the above Rural Water District, hereby makes application to said District for water service. If water service is made available by said District, the land owner agrees to the following conditions:

1. Purchase or cause to be purchased one Benefit Unit for each water service at the unit price of \$2,500 (two thousand five hundred dollars). Of this amount, \$1,000 (one thousand dollars) is allowed to set the meter. If the cost to set said meter exceeds the allotted amount, the land owner will be responsible for the additional cost. No refund will be allowed should the cost to set meter is less than the allotted amount.
2. Land owner will pay a minimum monthly charge for each water service from time service is made available by the District and pay for water used at the current rate schedule adopted by the Board of Directors. Any changes made in the minimum monthly water charge and rate schedule by the Board of Directors of the District shall become a part of this agreement as though fully set out herein.
3. The District will read the meter the first week of each month and submit a bill for water used. Payment is due upon receipt and subject to a 5% late charge if payment is not received by the 25th of the same month the meter is read. Failure to pay the bill by the 25th of the following month will result in disconnection of service. If the account is not brought current 90 (ninety) days from the date of disconnection, including monthly charge, water used and all fees in connection the forfeiture process, the Benefit Unit will be permanently forfeited.
4. The water service supplied by the District shall be for the sole use of the undersigned; the undersigned agrees that he will not extend or permit the extension of pipes for the purpose of transferring water from one property to another, nor will he share, resell or sub-meter water to any other consumer. Each meter service shall supply water to only one residence or business establishment located on land within the District.
5. If after water service is made available, the same is discontinued or disconnected for any purpose, pursuant to the By-laws of the District and the Rules and Regulations of the District, reconnection shall be upon the conditions set out in the By-laws and the Rules and Regulations of the District.
6. The undersigned agrees that he will make no physical connection between any private water system and the water system of the District. Representatives of the District may at any reasonable time come on the premises where the water is being used, for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.

7. The laws of the State of Kansas, the By-laws of the District and the Rules and Regulations of the District, which may be amended from time to time, are made a part of this agreement as though fully set out herein.
8. The tract to which the Benefit Unit is to be assigned is specifically described as follows:
