

Leave No Victim Behind VI

Conference Safety

Credentials

All conference participants will be required to wear their credential when entering the Ballroom. Credentials can be picked up at the registration table just outside the conference ballroom. Please provide some form of identification when picking up your credential. If you forget to bring your credential on the subsequent days just check-in at the registration table and we will provide you a new one.

See Something – Say Something

If something seems out of the ordinary or suspicious, please immediately share your observations with a uniformed police officer, conference staff, or by calling UPD Dispatch at 512-245-2805.

Health and Wellness

This is our 6th conference and based on our experience the topics covered can challenge our health and wellbeing. All those in attendance are care-givers of some sort who have worked in the service of others for many years. Our conference is non-stop sharing of lessons learned by those who have experienced these horrific events firsthand. Emotionally, this is a challenging conference for anyone. We will share tears together, but we know that ultimately the information you will glean from our conference is invaluable.

Our CARE team will be led by our conference chaplains who have many years of experience in peer support and available to meet with you anytime during the conference. UPD Officer Kendra Marsteller and her partner “Brady” will lead a group of therapy dog teams who will be onsite at the conference and available to lend you support and comfort. We will be providing a quiet space for those of us who need a break or some time to decompress. Water and snacks will be available in this space.

We will provide two complete meals each day of the conference which is included in your registration. Please be sure to take advantage of this time, have a good meal, and network with your peers. Lastly, never hesitate to step out of a session and never hesitate to check on each other if we look like we need it. We cannot thank you enough for everything you do to serve your community and if you have any needs during your time with us, please reach out and we will do our very best to accommodate you. (A contact list will be provided as we get closer to the conference dates)
