

# SERVICES

## **Event Rentals**

Here at Rockin' Bar C we strive to have a diverse and continuously growing inventory. If you don't see what you need, just ask! We are here to make your event beautiful and functional. Rentals are available by pick up, drop off, or set up.

## **Tents**

We offer multiple sizes of tents to meet a diverse set of event needs. Doing your wedding in a pasture? Need an additional seating area or cocktail area? We've got you! Reach out to us to see what the best fit is for you.

## **Event Design**

Our event designs are based off of our rental offerings. We start by looking through your Pinterest dreams and then begin with several mood boards until we find the decor, layouts, and styling that is best for your event. Then we put together the inventory and make plans for set up!

## **Photo Booths**

The Candid Caravan is our original business! We offer two photo booths, a vintage trailer booth and an open air booth. We provide curated props, and decor. We work with clients to build custom backdrops and decor pieces.
