Cedar Rapids Corvette Club

From the President's Desk

Welcome to the January edition of our club newsletter. Well, it is a good thing we put our "rides" away for the winter. Those sub zero temperatures and drifting snow would have made driving a challenge.

Club activities will be a little slow for the month. We will have an Officer transition meeting the first week of January to hand off the responsibilities and activities. This will be my

second time in this position for the club so I hope my transition will be a little easier.

CRCC Cruise Night

January 10th: The CRCC evening "dinner out" will be at 5:30 pm at Bo Mac. Address is 219 16th Ave. SE. 52401. Jim needs an RSVP.

CRCC Thank you

We would like to thank Mike Finley, Dennis and Terry Primrose and Bob Bowen for helping with correcting our club email distribution list. Mike was trying to get the correct email addresses in our NCCC records for members to receive their membership card. Bob was working to make sure all current members are receiving club news. With the election, we also needed a "good" member email address to send the ballots for voting. (We only had two members who had difficulty receiving a ballot) Thank you for all the efforts for us to "get it right". Appreciated.

NCCC Information

A thank you to Mike for the sharing of information from the NCCC Governor's meetings to the CRCC members. It is good to hear about the challenges and changes in the national organization. A thank you to Chuck for sharing the Corvette news from his contacts in Bowling Green. It is good to hear the "car news" relating to the plant, museum and the experience of the C8.

Continue to check the club website for planned activities and updates. See you at the January 19th meeting.
